## ESTATE PLANNING IS FOR EVERYONE

### What you will learn:

- The importance of foundational estate planning documents
- How trusts avoid probate, why wills don't, and how trusts can be customized to accomplish your unique goals
- How to reduce or eliminate estate taxes
- How to properly provide for minors, disabled children, or grandchildren
- How to insulate your love ones' inheritances from divorce, creditors, and lawsuits
- How to protect your home and other assets from a \$10k to \$14k monthly nursing home bill

**Thursday February 22, 2024 at 6pm**
