

# Testimonials

Our law firm is proud to build and maintain a lifetime relationship with each and every client. Read through our recent reviews to discover the problems our clients were facing, the solutions we proposed, and how our custom estate plans gave our clients peace of mind.

*I was referred to Attorney Walecka, by a trusted family friend, for a family trust update and related legal advice. Walecka Law P.C. truly exceeded all expectations! Their expertise in family law coupled with a personal touch is what sets Walecka Law above the pack. Specifically, Attorney Walecka's availability and compassionate demeanor was key in establishing a comforting and trusting relationship that has been instrumental in helping my family navigate our family trust and Elder Law issues. This highly valuable relationship will continue going forward for all my Family Trust related needs. I highly recommend Walecka Law!*

*Brandon is a hard working Attorney. His pricing is fair, he will come to you, he is highly detail oriented and thinks of the things you're not thinking of. And above all those things, he's a really nice guy and earns your trust from the first conversation. Highly recommend.*

*I would definitely recommend Brandon Walecka for Estate Planning. He was very attentive to my needs and made me feel very comfortable during the whole process.*

*I would highly recommend Brandon Walecka for any Estate Planning one might need. Brandon is extremely knowledgeable regarding Elder Law and all its nuances and ramifications. He gladly answered any questions I had and explained anything I didn't fully understand. I am very pleased with everything*

*Brandon has done for me.*

*Brandon has been an absolute pleasure to work with! I had a complicated situation regarding my mother and Brandon took the time to explain everything in detail and developed a plan that would put us in the right situation! I recommend Brandon for any of your Elder Law needs!*

*We were referred to Brandon by our financial advisor, Jay Williams. Brandon has been extremely helpful in updating our Will and Estate Plan. He guided us with some very delicate special needs and asked questions in areas we had not considered, yet were extremely important. We appreciate his plan to review our Will as needed every 3 years and his attention to details. Brandon worked with us around our schedule which also made the process easy and comprehensive. We highly recommend his services.*

*Brandon was very thorough and helpful in answering my legal questions about dealing with a brother with Alzheimer's who lives in another state but may need to move to Massachusetts near me. I highly recommend him.*

*Attorney Walecka has been invaluable for myself and my family as we navigate the waters and snags that come with unexpected elderly medical issues. Aside from the emotional trauma associated with these tires of circumstance, is the financial and care implications that come with it, which I was absolutely not prepared for, or knowledgeable enough to intelligently deal with. I can't thank him enough for his guidance and understanding.*

*Brandon at Walecka Law helped me with my Estate Planning and Will. He is extremely competent, knowledgeable, and is great at explaining things on a down-to-earth level. For him, it*

*really is about meeting his clients needs and establishing rapport. I trust him and feel very comfortable following his advice and suggestions!*

*Brandon was extraordinary!! After dealing with four different attorneys trying to figure out how to go about with my parent's estate planning, Brandon came through with not only one but four options of how to handle this very stressful situation especially during a difficult time our family is going through. He is thorough, detailed, honest and highly recommend him for anyone is looking for an estate planning attorney like my parents. He made my parents feel very comfortable with their decision and secure. Thank you Walecka Law!!*

*Brandon is an excellent attorney. My situation involved some unusual circumstances which he handled effortlessly. While his knowledge of Elder Law, Estates and Trusts was comprehensive he was also able to research some things he was less familiar with and provide all of the information and answers we required. He instilled a high level of confidence and I would highly recommend him to anyone requiring estate and trust work.*
