Here at Walecka Law, we take pride in prioritizing our clients. To us, this means coming to their homes to meet with them. Many of our clients are elderly, ill, or just prefer to meet in the comfort of their own home, and we are more than happy to accommodate. We will also be happy to meet at nursing homes, hospitals, or even restaurants and businesses. We love our clients and are here to help! Call us any time to get started with your personalized Estate Plan.
